HOUSTON

**TO ALL FILIPINO OWNED/PARTNERED BUSINESSES IN THE SOUTH CENTRAL  
REGION OF THE US**

*JGS-LTR-03-2023*

26 January 2022

Greetings from the Philippine Consulate General in Houston (Houston PCG)!

Houston PCG wishes to inform you that it joins the Philippine Embassy in Washington DC and Consulates General across the United States in its economic diplomacy initiative to create a business registry containing the contact details of Filipino enterprises and professional entities located in the US.

The registry aims to promote Filipino enterprises and professional entities, and provide a value chain network that could benefit community members, suppliers, and consumers, especially as we all work towards the economic recovery and cultural promotion of Filipino products, talents, and other business offerings.

The registry will be made available on our websites and shared with our relevant partners for their information and business reference.

For the purposes of this registry, Filipino owned enterprises are those owned by Filipinos, Filipino dual citizens, or American and other foreign nationals of Filipino heritage. Enterprises partnered with Filipinos, Filipino-American dual citizens, or American citizens of Filipino heritage are also welcome to register.

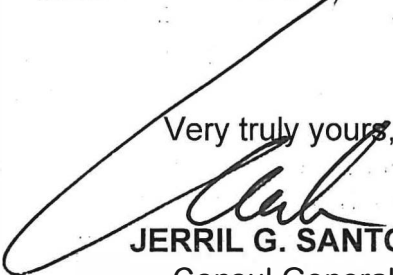

In this regard, Houston PCG encourages businesses under its jurisdiction (Arkansas, Louisiana, Mississippi, New Mexico, Oklahoma, and Texas) to register, as well as to share this initiative to fellow Filipino enterprises and professional entities through this e-form:

Thank you and best regards.

Very truly yours,
