

PUBLIC ADVISORY

REVISED FEES FOR EXTENSION OF VALIDITY OF PASSPORTS

The Philippine Consulate General in Houston (Houston PCG) wishes to announce that pursuant to new regulations of the Department of Foreign Affairs, the applicable fee for extension of validity of passports shall now be **twenty-five dollars (\$25.00)**.

Houston PCG would also like to remind the public that extension of passport validity can only be availed of **once** and may only be done on a passport whose validity has not yet expired. Expiring passports whose validity had previously been extended would have to be renewed.

The above changes have been reflected on the information page on the extension of validity of passports found at the official website of Houston PCG (<https://houstonpcg.dfa.gov.ph/index.php/consular-services/visa-services>).

For further inquiry on this matter, Houston PCG may be reached through the following email address: pcghouston.passport.legal@gmail.com.
